Claims #12624-12635	$ 6457.47
P/R #12620-12623	10635.03

Sandee Powell, representing Crime Victims Advocate, gave a presentation on what they offer in ways of helping people resolve issues or problems they are having. This is a free service that provides for emotional support and help getting emergency assistance.

It was reported that most of the delinquent bill for 416 S. Loomis has been paid so a lien will not be necessary. Discussion was also held regarding the property at 417 S. Loomis. The landlords paid the delinquent bill for the last renters, but a balance of $156.00 is still owed from a previous renter. It was decided to contact the owner to inform them that this bill needs to be paid or we will place a water lien on their property. Also, to inform them that there is someone living in the house they probably are not aware of.

Discussion was held regarding an animal control officer. Mayor Webb has not had time to check into this matter.

Discussion was held on rain water coming down off of the reservoir hill into Dallas Loomis' front yard. The maintenance department will try to resolve this problem for the future.

More concerns were reported to City Hall regarding a property at 106 S. Margin St. There ~~is~~ are dry shrubs and tall grass around the home. A letter will be written that we are concerned for fire hazards, etc.
