Discussion was held on the water line project for the new house for the Meyerhofer's. Webb reported that he is waiting on a call from DOT. A bid was received from NW Line Builders for \$3557.40 to bore under the tracks. There are still some questions from the application on what they are requiring. Webb also talked to the St. John Telephone Co. to see if they would help with the cost of the project because they will also need to run a line under the tracks for phone, internet, etc. They agreed to split the costs with the City.
