Leaf vac update: it is here and running great. Was able to pick up the park, some misc. side yards, and Park Street.

The St John Fund gave the Park Pavilion project 10K.

106 S Margin was sold, and the lien was paid off. The Clerk will need to take a check to the County Courthouse to release the lien. A check will be written for \$303.50 outside of the regular council meeting.

The two engineering firms that did not get the on-call contract would like some feedback. After the discussion, it was agreed that no additional feedback would be given. A letter or email can be sent that says thank you, we were impressed with your interview and knowledge, but we went in another direction.

Preliminary election results were discussed. All levies are passing at this time.

Building permit for a shed at 3 W Nob Hill was reviewed. Approval for the permit was given by a motion from Smick and seconded by Howard.

The credit card policy was discussed. There needs to be a provision in there for accidental use and repayment. The clerk will revise, and the council will review at the next meeting.

With no further comments requested, Mayor Webb moved to adjourn the meeting. The motion was seconded and unanimously approved. The meeting was officially adjourned at 7:01 PM.
