The Clerk reported that she has not been able to come up with cost differences by running our levies at the August election versus the November election. She will continue to try to find out.

Mayor Webb reported that gravel was needed for the parking areas around the Park. It was moved by Smick and seconded by Bezdicek to purchase 2 loads. This will come out of the Park Fund.

The Clerk reported that people renting a house has been evicted and that garbage has been left in the back yard. They left with an unpaid water bill. The Council felt that we need to shut off the water and install a lock on it.

Discussion was held on the abandoned or non-working vehicles around town. It was agreed that we need to address these areas and try to clean up the town. At the same time run-down empty houses will be addressed by sending out letters.
