

MEETING OF SEPTEMBER 9, 2019

The meeting was called to order by Mayor Webb. Council Members Hinds, Smick, Smith, and Watson were in attendance. Also attending were Jeff Leifer and Chris Canaday.

The minutes of the August 28, 2019 Meeting were read and approved as read.

The payables were presented to the Council for review and discussion. The payables were moved by Smith and seconded by Smick. Motion carried by vote of the Council.

Claims #13206-13221	\$10,862.12
P/R #13202-13205	800.00

It was reported that the owner of the abandoned car had not responded to our letter. The Mayor will contact the towing company to come get it.

A report was given on the work on the grass strips on Park Street. Jim Thompson has dug out the old soil on the first block and will replace it with good soil. Grass will then be laid. It was decided to install water boxes so a hose can be pulled under the sidewalk so the grass can be watered safely. A motion was made by Hinds and seconded by Smick to purchase the water boxes.

Chris reported that the pump at the sewer plant has been installed and is working!

Jeff Leifer gave a small presentation about the benefits of using a feedback data tool. This can be very beneficial in getting opinions and feedback from people in certain areas. The Council was open to learning more about this. The Council will do a sample test which Jeff will administer.

Rick Fox will repair the paint job on the Denton Building in the near future.

Chris reported that one of the ballasts in the city shop office exploded. It was decided to get some quotes on replacing the lighting with LED lights.

The Council went into executive council to discuss personnel matters. The meeting started at 6:40 pm and ended at 7:05 pm.
