MEETING OF APRIL 27, 2026

Mayor Webb called the meeting to order. Councilmembers Bezdicek, Blumenshein, Harrison, Howard, and Smick, Public Works Steven Engles, Senior class Keira Maloney, Ashlynn Forset, and the Town clerk attended.

The April 13, 2026, meeting minutes were read and approved as read.

The payables were presented to the Council for review and discussion. Harrison moved, Howard seconded, and the motion carried by a vote of the Council.

CL# 16242-16251 & EFT's	\$ 7,038.37
PR# 16252-16256 & EFT's	\$22,636.65

The senior class asked the council if it was okay to once again put up senior banners. They will be ordering them and have them at City Hall ASAP. The Council had no objections.

The Kimley-Horn contract was discussed. Rachel said she would be able to come to the May 11th meeting to discuss options and what the contract would entail. The council discussed the General Code cost proposal for the Codification of the St. John Municipal Code from ICC Innovations. This estimate is 14 K. The council would like to research other companies that will be able to scan the documents.

The town received a request for the special occasions permit for the Summer Dayz Car Show beer garden. The council was not aware of the beer garden or the location. They would like to see the site map and the paperwork that was presented to the liquor control board before they will approve. The Clerk will contact the LCB and let them know more time is needed to consult with the applicant.

Portable restrooms were discussed for the Show and Shine. The quote from American Onsite was cheaper than Patriot Portable Restrooms. The council approved the American Onsite contract with a motion from Harrison and seconded by Blumenshein.

The Cub and Boy Scouts from Endicott would like to do a scouting event in the city park on May 23. After discussion, the council agreed it was a public event, and the park is open to the public.

The Pop-up Market was discussed. A liability waiver will be given to all the vendors to fill out and have the waiver on file.

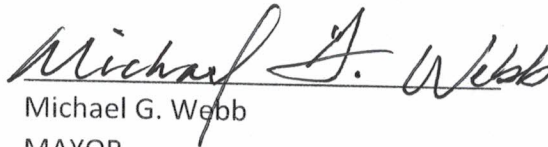

A shop size on a lot was discussed, and the resident will come to the city hall to discuss.

The recycle bin was discussed. It has been full since the Stock Show. This is not run by the town, nor does the town pay for those services. It is not in the budget to search out another company to take the recycling for the town residents.

With no further comments requested, Mayor Webb moved to adjourn the meeting. The motion was seconded and unanimously approved. The meeting was officially adjourned at 7:35 PM.
