|---------------------------|------------|
| Claims #13454 – 13463 | \$5,195.36 |
| P/R #13451 – 13453, 13464 | 10,337.42 |

The Clerk opened the only bid for the backhoe that we have advertised for surplus. A bid for \$4225.50 was received by Mike Isaacs and Emily Cook. The Council felt this was a good bid so with a motion from Watson and second by Smick, it was accepted.

Gerry and Betty Jessen attended the meeting to discuss relocating the water meter to the edge of their property. An agreement was made by the previous owner which was also discussed.

Shannon Ward discussed their plans for the house they are rebuilding on their property. They needed a new address since they are moving the front door location. The Clerk assigned W. 203 State Street to be used. They are also planning on installing a new water and sewer service. Several questions were asked so they would have an idea what would be required of them.

The Sanitary Survey report was read and suggested recommendations were discussed. Chris and Steven have already fixed a few items and would be working on the rest. They have 45 days to complete the issues.

Chris reported that he will be taking his sewer operator test and Steven will be attending the pesticide class.
