Claims #12659 – 12665	\$ 4,850.49
P/R #12655 – 12658	10,266.78

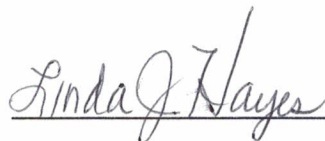

The Clerk presented the 6-yr. Transportation Improvement Program for the Council's review. The maintenance department will drive around to inspect and prioritize the streets and report back at the next meeting. It was decided to hold the public hearing for the program on July 23, 2018.

Hartman reported that the guard rails were finished and ready to be picked up. The Council gave him authorization to use the credit card to pay for it. It will cost over \$500.00.

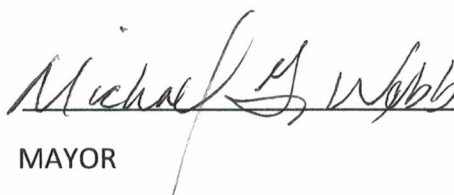

Discussion was held regarding street work. TIB has a complete street plan to use for various jobs, for example, sidewalk repairs, parts of roads that need fixing, etc. An ordinance needs to be in place to use this plan. Clerk Hayes will contact Christa with TIB to see if she can meet with the town to explain this new plan and figure out a plan to apply for funding.

Greg and Chris reported on the meeting with DOE. We found out that some of the testing we have been doing was not necessary. Andy O'Neil with DOE will come down and help outline what tests we need to be doing.

The Clerk presented the past due report for the Council to review.
