The meeting was called to order by Mayor Webb. Council Members Bezdicek, Hinds, Smith, and Watson were in attendance.

The minutes of the July 8, 2019 Meeting were read and approved as read.

The payables were presented to the Council for their review and discussion. The payables were moved by Bezdicek and seconded by Hinds. Motion carried by vote of the Council.

Claims #13155-13163	\$6,406.62
P/R #13151-13154	11,145.00

A building permit was presented from Shelley Cole. This application was for a remodel, an addition to the house, and a shop/garage. After review of the plans and approval by the building inspector, a motion was made by Watson and seconded by Bezdicek to approve the permit.

It was reported that the LED lighting for the Denton Building is almost complete.

Discussion was held on the special levies for 2020. After reviewing the Town's financial statement, it was decided to keep the levy for street improvements at \$50,000.00 and lower the water and sewer levy from \$60,000.00 to \$50,000.00. With more repairs to our old sewer plant, it was felt that this levy is necessary. A motion was made by Hinds and seconded by Smith. This motion also was to increase the tax levy for property taxes and new construction by the allowed 1%. All were in favor to adopt Resolution No. 416X.
